ANTARCTICA SNOW HEX

## ANTARCTICA COLLECTION

Los colores neutros, blancos, mezclados con sofisticados acabados nacarados y marmoleados han dado paso a esta nueva colección de una versatilidad impresionante.

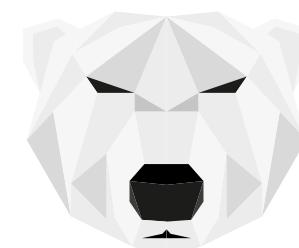

El blanco no es moda, es eterno, es una solución atractiva tanto para interiores en decoración como para zonas húmedas y además ahora tienes la opción de colocarlo como pavimento. Todo un acierto con esta nueva propuesta de Vidrepur.

Neutral, white colours combined with sophisticated pearl and marble finishings have opened the way for this new collection of impressive versatility.

White is not just a passing fashion, it is timeless, an attractive solution both for interior decoration and for damp areas. Now, you also have the option to lay it as paving. This new offer is a sure winner from Vidrepur.

Les couleurs neutres, blanches, combinées avec des finitions sophistiquées, nacrées et marbrées, ont donné lieu à cette nouvelle collection d'une polyvalence impressionnante.

Le blanc n'est pas une mode, il est éternel et représente une solution attrayante non seulement pour les espaces intérieurs mais aussi pour les zones humides. Vous avez désormais l'option de l'utiliser dans vos revêtements. Cette nouvelle proposition de Vidrepur est une combinaison gagnante.
